Twin Bridges Antique Productions

Quality Antiques Shows Since 1982

ABOUT OUR SHOWS

In 1982, my late husband, Don and I started Twin Bridges Antique Productions. Since then, Twin Bridges' has always strived to offer our exhibitors and collectors quality rather than quantity. Age and authenticity have always been a priority at our shows. We ask that merchandise be at least twenty-five years old with no reproductions or newer merchandise. Collectors' interests obviously change over time, with "millennials" driving the market in a new direction. That said, repurposed & upcycled, i.e., items crafted from vintage pieces are allowed with prior approval. Extensive, multimedia advertising along with dedication to excellent customer service continue to be trademarks of our promotions.
